

Parking at the Calgary Stampede is now managed by [Calgary Parking](#), bringing an exciting improvement for all our guests and clients. This change ensures a more seamless, efficient, and user-friendly parking experience. With convenient and accessible payment options, we're committed to making parking easier and hassle-free, so clients and guests can focus on enjoying their time at the Stampede.

Accessing Stampede Park and paying for parking has never been more convenient.

ParkPlus offers a variety of ways for Events to manage their parking at Stampede Park:

1. Public Paid Parking

- Visitors who park at Stampede Park will be responsible for registering their license plate and paying at a ParkPlus pay machine or paying through the ParkPlus app.
- Parking rate as of January 1, 2025 - \$18/ day

2. Host Parking

- Events and clients who choose to cover the cost of parking for their attendees will be able to do so through sharing a specific event code with their event attendees.
- This unique code must be entered into a ParkPlus pay machine daily to ensure their licence plate is registered.
- Event codes cannot be entered on the ParkPlus app or website.

3. Show Management Parking

- Clients who receive show management parking will be emailed an event code for a designated parking lot prior to event move-in.
- This unique code must be entered into a ParkPlus pay machine daily to ensure your licence plate is registered.
- Event codes cannot be entered on the ParkPlus app or website.

4. Pre-Purchased Exhibitor Parking

NOTE: As of January 1, 2025 – we are no longer offering Pre-Purchased Exhibitor parking passes***

- We now offer the following convenient payment options designed to make every guest, including Exhibitors, visit easier than ever:
 - **MyParking App:** Pay quickly and effortlessly using your smartphone.
 - **Virtual Pay Machine:** Visit vpm.parkplus.ca to pay online from your device.

ParkPlus and Calgary Stampede FAQ's

Will there be any changes to parking rates?

Parking is currently planned to remain at \$18 per day through implementation. We continue to evaluate our parking rates to remain competitive in the marketplace.

What forms of payment will be accepted at the parking machines?

Parking machines will accept credit and debit, with a limited number of pay machines also accepting coin payment. If paying through the ParkPlus app, debit or credit is accepted.

What happens if visitors don't pay to park?

A parking violation will be issued by Calgary Parking. It is the visitor's responsibility to pay the violation.

What are the hours of operation for the parking machines?

Parking will be enforced 24 hours a day, 7 days a week.

What happens if I leave my vehicle in the parking lot overnight?

Vehicles left overnight will need to be removed by 6:00 a.m. to avoid the issuance of a parking violation. If visitors cannot remove their vehicle, they will be required to register their license plate and pay for parking for the additional day.

What happens to parking during our annual celebration in July?

During Stampede, parking will not be managed using the ParkPlus system. We will still issue physical passes to those who qualify and assign lots by group. Public parking lots will revert back to pay at entry via a cashier model. This provides us with the ability to be as flexible as possible during a time that has fluctuating needs.

How do I dispute a ticket?

Parking at Stampede Park is managed by Calgary Parking through ParkPlus. You will need to contact Calgary Parking directly if you would like to dispute a ticket. Visit <https://www.calgaryparking.com/parkingtickets/appeal> to appeal a ticket online or phone 403.537.7100 for questions.
