

EXHIBITOR BADGES

We have made a change in our exhibitor badge distribution this year.

- All Exhibitors are required to wear a badge at the show.
- **We will not be printing individual names on the badges.**
- You do not have to enter your badge names this year.
- You can pick up your badges at the show office on site. You may be required to provide a business card or photo ID to pick up your badges.
- Badge specifications:
 - *The holder of this badge must be an employee of an exhibiting company. Photo I.D. is required upon request. The permission granted by this badge will be forfeited if misused. Once you leave the building, you must show this badge to re-enter. This badge is null and void after Sunday February 23, 2025.*
